

GROWTH GUIDE

Two Paths Diverge | John 6:59-71

Week of 12/10/2023

SERMON OUTLINE

Big Idea: My recognition of Jesus as the Son of God leads to a devotion to him with my life.

- 1) Are you seeing how Jesus is revealing himself? John 6:11, 35, 59
- 2) What are you doing with Jesus? John 6:60-71
- 3) How is the way you view Jesus affecting your response to him? John 6:42,49

GROUP DISCUSSION

1) What is deconstructing your faith? What can be good about that? What's dangerous about it?

2) What causes the paths to diverge, for some people to believe and some people to reject? How should this change how do Evangelism?

3) How does Jesus reveal himself? In what practical ways can you create moments in your day to connect with Jesus?

4) How is the way you view Jesus affecting your response to him? Give examples.

5) Beyond your response to Him from question 4, how does your view of Jesus impact the way you treat others, make choices, or navigate challenges in your personal *and* professional life?

BREAKOUT DISCUSSION

1) What's your plan for reading the Bible in 2024?
