Week of 10/1/2023

SERMON OUTLINE

- 2) His power impacts my ordinary. John 2:6-10
- 3) His provision satisfies my longing. John 2:3, 10-11
- 4) His mission shapes my purpose. John 2:12

GROUP DISCUSSION

1) Looking back at John 2:1-12, what stood out to you or was new to you, or what questions do you have?

2) Check for understanding: What symbols are there in John 2:1-12, and what do they represent? Why does Jesus respond to his mother's question by saying his hour hasn't come?

3) How have you seen Jesus work in the ordinary of your life recently?

4) What does it mean to see the glory of Jesus? What changes when we regularly and intentionally see the glory of Jesus?

5) Are you willing to adjust your agenda to match God's? How would you know? Are there things or areas in your life that feel off limits or you wouldn't want to change? What can we do to align our lives with His will more and more?

BREAKOUT DISCUSSION

1) Most recently, what ways have you or been tempted to satisfy your deep inner longings outside of Jesus?

2) What's the most important change you want to make to your life based on your study of John 2:1-12? How are you going to do that?

POINTS FOR PRAYER

- Confess that so often we seek fulfillment in other places, and ask that we would find lasting contentment and joy in God
- Pray for a greater alignment with God's will and purpose
- Father I've seen your power in my day-to-day life when you... (John 2:6-10)
